Information for Public Health Practice
What You Need, When You Need It

Looking for --
- Planning tools for emergency preparedness?
- Data and strategies to reduce childhood obesity?
- Sources of funding for projects?

Find high quality public health information selected and organized on convenient site.

PHPartners supports HP2020 with:
Health People 2020
Structured Evidence Queries
(HP2020 SEQs)

Practice Informed by Research
Healthy People 2020 PubMed
Structured Evidence Queries

http://phpartners.org/hp2020

Achieve your Healthy People objectives with the most up-to-date evidence:
- Use these one-click pre-formulated search strategies to search PubMed/MEDLINE.
- Retrieve citations and link directly to relevant journal articles and abstracts.
- HP2020 SEQs FAQs instruct and empower you to use PubMed, retrieve full-text articles, and find non-journal resources to help meet HP2020 objectives.
